CEBIT RUSSIA (25 to 27 June 2019, Moscow):

CEBIT RUSSIA will not take place

Moscow. The CEBIT RUSSIA will not take place. The organizers Skolkovo Technopark and OOO Deutsche Messe RUS announced on Tuesday, the 14th of May, that they will not hold the exhibition for innovations and digital technologies planned for June (25th to 27th) in Moscow. The reason for the cancellation was the lack of interest on the part of the national and international exhibitors.
